RE: Wireless Telecommunication Bureau, Colocation of Wireless Antennas WT Docket No. 15-180

Dear Consultant:

Thank you for notifying the Cheyenne and Arapaho Tribal Historic Preservation Office with the upcoming changes to the FCC policy in regards to non-ground disturbance colocation towers. At this time, we agree with the changes to the policy and look forward to future notifications from the FCC. We would also like to be notified of any future amendments and have a chance to comment with the policy regarding non-ground disturbance colocation towers.

Best Regards,
